

..... And the Gift Goes On!...

Dear friends,

I would like to provide you an opportunity to “bridge” your “hope” with those in greatest need for your help, especially the women and children in Viet Nam. It is one way of revealing that there is still room in your heart.

Cost for a day of school and nutrition for a child at Con En School is \$.66 which includes 3 meals, supervision and education. Would you be interested in “gifting” a child at Con En School ?

- A month of school and nourishment: \$0.66 x 30 = \$19.80
- 3 months of school and nourishment: \$0.66 x 90 = \$59.40
- 6 months of school and nourishment: \$0.66 x 180 = \$118.80
- 8 months of school and nourishment: \$0.66 x 240 = \$158.40

Bridging Hope will start a “warm-roof” shelter for elderly women in 2011. One “brick” is worth \$10.00 Would you be interested in “gifting a brick” to build this shelter? (please check one)
